

Create a Pipeline Job

### Welcome to Jenkins

It's time to create your first Pipeline.

Create a new Pipeline

A green speech bubble with a white border and a long tail pointing towards the bottom right corner of the image. The bubble contains the text "Create first pipeline" in white.

**Create first  
pipeline**

**Create the rest**

# Create a Pipeline Job

The image shows the Jenkins web interface. At the top, there is a blue header bar with the Jenkins logo on the left, and 'Pipelines' and 'Administration' tabs in the center. On the right of the header are a 'Logout' button and a search icon. Below the header, there is a blue bar with the word 'Pipelines' on the left, a search input field with the placeholder text 'Search pipelines...', and a 'New Pipeline' button on the right. In the center of the page, a modal dialog is displayed with the title 'Welcome to Jenkins' and the text 'It's time to create your first Pipeline.' Below this text is a blue button labeled 'Create a new Pipeline'. A green callout bubble with the text 'Create first pipeline' points to this button. To the right of the modal, there is a green callout bubble with the text 'Create the rest' pointing to the 'New Pipeline' button in the header.
