```
def call(int times, String message)
{
    for (int i = 0; i < times; i++)
    {
        echo message
    }
}
```

vars/repeatMessage.groovy

A green speech bubble with a white shadow, pointing towards the bottom right. The text "Pass parameters" is written in white inside the bubble.

Pass parameters

A green arrow pointing to the right, with the text "Declare parameters" written inside in white. The arrow has a thick green body and a thin green outline. The text is in a bold, sans-serif font.

Declare parameters

A green callout bubble with a pointed top and rounded bottom corners, containing white text.

Use parameters
